

October 10, 2020

Wrenshall Volleyball Parents:

Due to COVID restrictions, all school indoor facilities are limited to a maximum of 2 spectators per player. In order to follow those guidelines, all area schools will be allowing two members of your immediate family to attend home volleyball games and two members of your family to attend away games, if that school is allowing fans.

We will send this list to all of our opponents and they will use the admittance list to allow two people from your family to attend the game. This will be used the rest of the season, so please give some thought to the names you submit.

**Volleyball COVID Protocols & Season Pass Information:**

- Fans are required to wear a mask at all times and sit in designated rows.
- Due to restrictions, we will not be selling tickets at the door.
- JV, and Varsity parents must purchase a season pass for two members of your family to attend every **HOME** and **AWAY** volleyball contest.
- You may submit up to four names but only two will be permitted entrance to a contest.
- Please send a check payable to **WHS** for **\$50** with your child by **October 13th**.
- The \$50 permits two members of your family to attend every HOME & AWAY contest. Checks should be dropped off in the Main office.
- If the season is cut short due to COVID - we will issue refunds based on remaining home matches.
