Dear Parents/Guardians of Wrenshall School District Students:

I write this letter with frustration as the COVID-19 pandemic continues to disrupt the education of our students. However, I do know that the Wrenshall School District Staff continue to do everything possible to reach every student and support their educational and emotional needs as much as possible.

Per the instant alert that went out today, the following adjustments will be implemented immediately:

- K-6 will remain on site full time with face-to-face instruction for the remainder of the school year. Grade 4, will return from quarantine on Monday, April 26.
- Little Wrens and Hatchlings will continue on their regular schedule this year.
- Grade 7-12 Special Education students will be on site full days on Tuesdays, Wednesdays, and Thursdays from 8:00 a.m.-3:00 p.m.
- Grade 7-9 will remain in distance learning for the remainder of the school year.
- Grade 10-12 will begin distance learning on Monday, April 26 and continue through the end of the school year.
- Athletics will continue until further notice.

Students in grades 7-12 will follow the seven period day each day. This will require students to join the classroom "google meets" for each class period throughout the school day. Classroom teachers will be in touch and attendance will be taken every hour.

The District will continue to provide the on-site Wrens Club/Latchkey per state mandate. The program will continue to be open from 6:00 a.m.-6:00 p.m. Monday through Friday. It is always top priority to make sure staff and students are safe at Wrenshall Public Schools.

Sincerely,

Kimberly K. Belcastro
Superintendent of Schools
